FROM THE EXECUTIVE DIRECTOR

This week I was reminded in my devotional walk about God's goodness. Sometimes we focus more on the activities and things going on in our lives, or become distract with life's challenges, that we don't think of, or consider God's goodness to us. I must confess that this was the case with me. But, then something happened last week that made me stop in my tracks and really ponder about God's goodness in my life and God's unending goodness in general.

Years ago I read a devotional that challenged me, the reader, to consider the words of that old favorite hymn, "Count Your Many Blessings". For years, perhaps even our whole lives, we've sung the words of this song, many of us, including myself, not really pondering the message of this song. God provides us with many blessings and it's our responsibility and obligation to count them, to actually reflect on the day's event and count in how many ways we have been blessed by God. Have you ever done this? When we actually stop and begin to count the many ways we've been blessed by God, it's astounding. In fact, when I've spent time to count the blessings bestowed on me by my heavenly Father, I run out of time. They're so numerous. For those of you who have done the same, you know what I'm talking about and you know the feeling of gratitude that runs through your body and mind.

So too, with God's goodness. My recent experience was a reminder to me that I need to actively take time to STOP and consider God's goodness. How about you?

Regarding our new home, we are very close to completing this project, and it feels good. I am positive each one of you will marvel at the beautiful home that's been built for us. We anticipate construction being completed within the next two or three weeks. Following construction completion, there are a number of regulatory hurdles we need to successfully pass, (e.g., inspections, etc.). Then, we anticipate moving in sometime in mid to late July. When we have the exact date, we will be sure to communicate this to you. Thanks for your patience. Thanks for your excitement. Thanks for your support.

NURSES WEEK AND STAFF APPRECIATION

I may be partial, but I really do think that Tabor Manor has some of the best staff around. May 6-10 was Nurses week throughout the country and so we celebrated our wonderful nurses. But as the saying goes, its takes a village to raise a child - and so too at Tabor, it takes many helping

hands to provide care with excellence, love and dignity. Many of our residents were happy to pose with a thank-you sign to all Tabor staff and these photos are posted in our staff room to motivate and thank the staff for all they do each and every day.

Father's Day Poem

~ Author Unknown

A Dad is a person who is loving and kind,
And often he knows what you have on your mind.
He's someone who listens, suggests, and defends.
A dad can be one of your very best friends.
He's proud of your triumphs,
But when things go wrong,
A dad can be patient and helpful and strong.
In all that you do, a dad's love plays a part.
There's always a place for him deep in your heart.
And each year that passes, you're even more glad,
More grateful and proud just to call him your dad!
Thank you, Dad ...
For listening and caring, for giving and sharing,
But, especially, for just being you!
Happy Father's Day!
