Tabor Times

August 2013

FROM THE EXECUTIVE DIRECTOR

"Lord, Bless This Home"

Our new home is complete! By the time the next issue of "Tabor Times" is published, we will have been in our new home for several weeks. This is exciting.

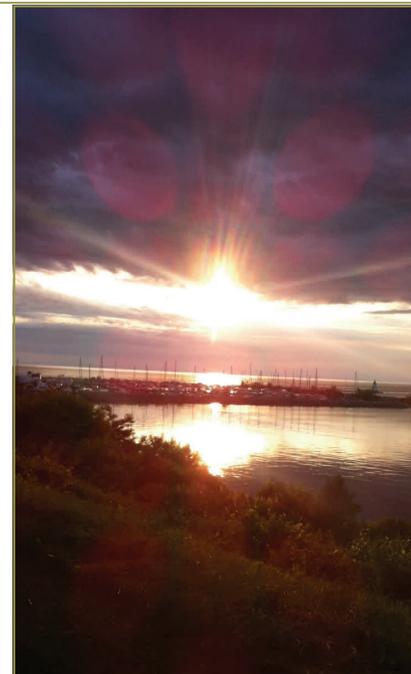

As we transition from our existing home into our new home it is fitting to thank the Lord for His faithful watch over us, for His incredible bounty and unending love.

"Dear Lord, we thank you for Tabor Manor and for the home that it has been for many seniors since 1969. We thank you for providing for us the existing home, and for the role it has played for residents and families alike in creating a sense of love and community. Lord, we ask for your continued blessing over the existing building and ask that whatever it's use will be, that it will continue to serve you and be a blessing to you.

Lord, we ask your blessing on our new home. We are grateful to you that things have gone well with the building of this new home. You have answered our prayers for safety during construction, as there have been no major injuries at all. We invite you into our new home and ask too, that this home will be a blessing to you, that all that goes on within it will be glorifying and edifying to you. We ask that the new staff and residents that enter our doors feel your love through us, your servants. We also ask specifically for your hand of protection as we move from our existing home into our new home.

In closing, we again thank you for your loving kindness toward us and for your undying love for us. You meet our needs beyond our own comprehension and we are grateful to you for that."

IMPORTANT DATES

12 - MOVE DAY!

EXCITED TO MOVE!

Change is never easy, but looking at the bright side of a situation can bring about a more positive attitude, a characteristic displayed by Melinda Penner. While she may be slightly overwhelmed, Melinda is very excited and happy about the move. She cannot wait to move into her brand new room and fill the window sill with beautiful African violets. She has been counting down the days for weeks and packing a little bit at a time to get ready for the big day. She would like to thank everyone who has made this move possible and all the volunteers who will be assisting August 12th!

The day has finally arrived when we will move into Tabor's new home and I am so excited with all the new changes. I work in dietary and the new kitchen is beautiful. There are so many changes! All of the equipment is brand new. Some of the equipment we have used before but some is going to be a whole new experience. The kitchen was well thought out and I'm sure our cooks will enjoy cooking in it. The new serving areas on each of the four floors are beautiful and well equipped. My first impression when I saw the dining rooms was how well lit they are with all the windows and how very spacious they are. I can't wait to start serving the residents.
