FROM THE EXECUTIVE DIRECTOR

The resident home areas in the new home are beginning to look complete. All bedroom, closet and bathroom doors and hardware have been installed and solid maple trim and memory boxes is being installed by the carpenters in the hallways. Tile floors in the East lounges have been laid and it looks absolutely amazing! You will all like it, I'm sure. I could already envision people sitting in this lounge area on a Spring evening, looking out over the courtyard.

While the work continues in the Resident Home Areas, construction crews are focusing on RHA lobbies, dining rooms and serveries, the main floor entrance and cafe, as well as the basement.

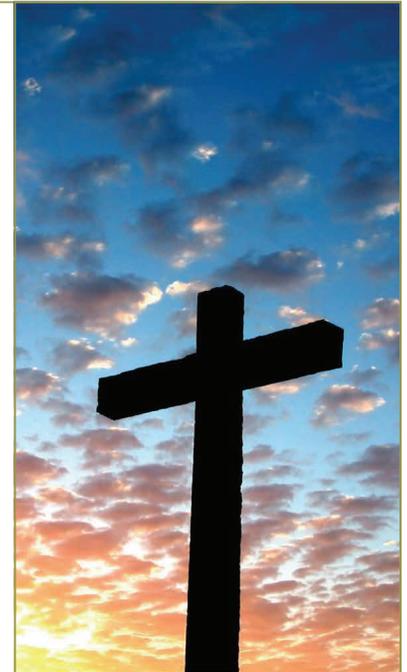

It's been great to hear positive feedback over the last couple of months by trades and others, commenting on how well built the home is. The quality of construction and design is very high and I am certain it will be a home that we'll all be proud of.

On the planning side, our supervisory team has been working hard to plan for the exact day of the move. As you may already know, our plan is to move all 82 residents into the home in one day. There are many steps to consider, but the team is doing a great job identifying all the nitty gritty details to make the move as successful and smooth as possible. When we have landed on the move date, we will be sure to let you know.

We will be planning a series of tours for residents, tenants, staff, families and other stakeholders as we near completion. But, we cannot take anyone through until it ceases to be a construction zone. We will be sure to communicate at our schedule to you at the appropriate time. Until then, we thank you for your patience and your support.

We continue to experience God's blessing and protection as we build. For this, we are grateful.

Tim Siemens, Executive Director

PANCAKE TUESDAY

While February is the shortest month on the calendar, it often feels the longest! But here at Tabor we take advantage of every opportunity to celebrate. Just a few included a Mardi Gras Party, Chinese New Year, Valentines Day and Pancake Tuesday!

February 13th marked the beginning of Lent and so the day before we took advantage of the opportunity to indulge in delicious blueberry pancakes flipped by the Nutrition Manager. Thanks Eugene!!

A Jelly Bean Prayer

Red is for the blood He gave,
Green is for the grass He made.
Yellow is for the sun so bright,
Orange is for the edge of night.
Black is for the sins we made,
White is for the grace He gave.
Purple is for the hours of sorrow,
Pink is for a new tomorrow.

A bag of jellybeans, colourful and sweet,
is a promise, a prayer, and a loved one's
treat!
