## Tabor Times

June 2014

### FROM THE DIRECTOR

We are happy to welcome June! It is wonderful to see new life as the trees become full with new green leaves and the greenness of the new grass.

June, the month we honour our fathers, the month with the longest daylight hours, and of course June 14, Tabor's Heritage Day.

We are very excited about this year's Heritage Day because it will be the first time our new residents and families will be joining us. This annual event will be held on the east side of the Evergreen apartments at the front of 1 Tabor Dr. close to where we have held it in past years. It is a great day for all ages to come together and enjoy, good music, good food and if you are feeling adventurous a pony ride! The auxiliary will be selling pies as well as 50/50 tickets to help support their on-going projects. We look forward to seeing you there!

We continue on with our Montessori implementation. Thank you to all who have shown your support to our residents and staff in this implementation.

We are planting the flower beds on June 2. Thank you to the volunteers who are helping with the preparation for planting, and the planting itself. I know our residents and tenants will appreciate the beauty of the flower gardens.

On another note we said farewell to Eugene Derro our Nutrition Manger on May 23rd. Eugene lives in Mississauga and needed to find employment closer to his home. We wish Eugene all the best and expect to see him at Heritage Day. We will miss him!

I would also like to take this opportunity to wish all the fathers a happy father's day on June 15.

## NURSES WEEK AND STAFF APPRECIATION

I am always so proud to say that I work at Tabor Manor.

We have a reputation in the greater community of fulfilling our mission of providing care with excellence, love and dignity. And while the LTC home is a beautiful new building, we are so much more than bricks and mortar. May 6-12 was nurses week and we celebrated all of our staff as they are the ones that make the choice each day to care for our residents. They encourage and support our residents to live to the highest quality of care - providing a "joie de vivre" for each individual.

### WALK WITH ME, DADDY

By Helen Bush

WALK alongside me, Daddy  
and hold my little hand  
I have so many things to learn  
that I don't yet understand  
Teach me things to keep me safe  
from dangers every day.  
Show me how to do my best  
at home, at school at play  
Every child needs a gentle hand  
to guide them as they grow.  
So WALK alongside me, Daddy.  
We have a long way to go.
