

# TABOR MANOR

## Tabor Times

*May 2015*

The grass is green, the Daffodils are blooming, the days are longer and we hosted the Tabor Manor Spring Tea this Saturday, all signs that spring have finally arrived. The Tea and Bake Sale was a great success and it was wonderful to see so many of you there, thank you for your support!

We celebrated the Grand Opening of our Spruce Lane Wellness Suites on April 27th. We had many dignitaries in attendance to wish us well on the completion of our renovation of the previous long term care home into wellness suites. A few of the Spruce Lane tenants were kind enough to open their rooms for people to tour; everyone that took the tour was impressed with the renovation. There were many positive comments about Tabor's vision to repurpose the original building in response to an identified community need.

The secure courtyard and terrace doors are now open from 7:00 am until 9:00 pm as per our outdoor policy. These doors will be unlocked for the warmer weather from April 15 until November 15. Please enjoy the courtyard.

On May the 11, a group of 24 Tabor staff will be participating in the Big Bike Ride for Heart and Stroke, this has become an annual event for us.

We will be holding our staff appreciation the week of May 11<sup>th</sup>. We do appreciate our staff each and every day but as a management team we truly enjoy this special week.

I would also like to wish all the mothers, and grandmothers a wonderful Mother's Day on May 10.

Christine Leonard, Director

## MOTHER

"M" is for the million things she gave me,  
"O" means only that she's growing old,  
"T" is for the tears she shed to save me,  
"H" is for her heart of purest gold;  
"E" is for her eyes, with love-light shining,  
"R" means right, and right she'll always be,  
Put them all together, they spell "MOTHER,"  
A word that means the world to me.
